QUINTA DO LAGO

## THE KEYS INFORMATION CENTRE

The Information Centre is a striking building that epitomises the design and glamour of The Keys with its glass fronted façade, vertical garden and waterfall, and cool contemporary interior.

Located on the edge of Quinta North golf course and Quinta shopping, The Keys Information Centre is open 7 days a week from 10am to 7pm, and our team of sales consultants are on hand to help anytime. The team includes a semi-professional and professional golfer both of whom would be happy to accompany you for a round of golf.

If you would like to discuss The Keys in person, come along and enjoy a relaxed overview of the project with a glass of champagne.

You can also now view The Keys in the comfort of our Keys golf buggy.
